WASME Pavilion at 7th Edition of Indusfood 2024

WASME is dedicated to the worldwide promotion and development of MSMEs through multidimensional activities, services, and end-to-end solutions, and it is continually striving to provide opportunities for the growth and development of MSMEs, particularly in the African continent.

We are pleased to share that WASME is participating in the **7th Edition of Indusfood** - A specialized B2B show for the Food & Beverage Industry organised by **Trade Promotion Council of India** from 8-10th January 2024 at India Expomart, Greater Noida, India.

In order to provide a magnificent opportunity for the MSMEs in the African Continent in the food processing and beverages industry, a designated WASME pavilion is organised at the Indusdood fair. This will provide a global platform for exhibitors to meet, interact, prospect and collaborate with pre-screened Importers, Distributors, Traders, Organized Retailers and other industry professionals from all around the world under one roof to network and find best solutions.
